

June, 2019

Dear Parents of Future Third Graders,

It will be my pleasure to have your child in the third grade next year. Please remember that summer isn't a vacation from going to Church and prayer. To make the transition a little easier I am enclosing a supply list, as well as math and reading assignments. These assignments will help your child master the work in the coming school year more readily. The children feel more at ease on the first day of school with their supplies at hand; therefore the supply list is included.

Please have your child read at least two of the books listed below during the summer vacation. They will be asked to give a presentation or write a report about the two books upon their return to school. Reading Plus assignments will be available until July 31<sup>st</sup>. Your child's participation is optional, but he is encouraged to practice. When your child returns to school, a Reading Plus assessment will be administered to determine his reading level and placement.

***Grade Equivalent***

<u>I Was a Third Grade Spy</u>	Auch	3.0
<u>Jigsaw Jones Mystery (Series)</u>	Preller	2.1 - 3.5
<u>Cam Jansen (Series)</u>	Adler	2.0 - 3.5
<u>Flat Stanley (Series)</u>	Brown	2.0 - 3.5
<u>Magic Tree House (Series)</u>	Osborne	2.0 - 3.8
<u>Runaway Ralph</u>	Cleary	3.0

Your child's math assignment is to earn Mathletics certificates (dated after June 5, 2019). One certificate will equal a grade of 85, and two certificates will equal a grade of 100. If no certificate is presented, your child will earn a grade of "0". To earn a certificate, your child will need to collect 1,000 points. These points are earned only with a passing grade on assignments completed during the same one week period, as they do not rollover from one week to the next. The attached letters include the login information and give more details about this assignment. Please note that the Mathletics server is in Australia; therefore, the week ends on Saturday. Any questions regarding technical support are to be addressed directly with Mathletics as stated in the letter. I will not be available until after August 15<sup>th</sup>. Have a wonderful summer; I am really looking forward to working with you next year.

Sincerely,

Mrs. G. Gomez
