Fee \$90 a/month for 1 day a week

Math club design for all students from second grade through eighth grade; the purpose is to develop student's level of math skills and knowledge. We believe that all children can become math wizards, and in Raiders Mathletes we will help them achieve that goal. Either for children that already love math or not, we will show them a different approach and a realistic use of it. During the classes the children will do math homework, reinforcement if needed as well as going above level (according to each particular case).

We will play fun math games, activities, competitions and real-life scenarios; this will support classroom learning, and enrich their skills with higher order thinking. Math is just a matter of practice like any other sport, come and become a Raiders Mathlete!!!

Sport Clinics, Cheer, Homework & Math Club will not be offered on early release days.
